

P266 Bed Toy

Oh aren't we clever? "Bed Toy". Could this title refer to the toy teddy bear, or to Cathy?

I, for one, will pass on playing with the teddy bear. But not playing with this utterly nude, utterly sweet velvet-skinned succubus is another matter altogether. The sensual appeal of that much cool satin and warm skin is just too powerful. You gotta love the sexy tan lines, maddeningly "highlighting" rather than hiding her most private areas. The goofy candy-pink heart charm is pure Jamesian messaging, "Love me."

No problemo.
